

Many publishers and vendors are expanding free access to their e-resources (journals, books, databases, etc) to lessen the influence of the pandemic of the novel coronavirus (COVID-19).

This guide shows you e-resources available from outside the campus.

Please make them useful for your research and study.

### **Off-campus access**

The following page directs you how to set up your off-campus access to e-resources (journals, books, databases, etc) TMU subscribes.
